

AUTOMOTIVE TECHNICIAN & EFFICIENCY TRAINING PROGRAM

Learning to Earning in just 20 Weeks.

WHY MATRIX?

ACCELERATED CAREER TRAINING

- 20-week program that provides the essential skills employers need now
- Earn certifications without wasting time and incurring unnecessary debt
- Flexible schedule so you can work while you train

HUGE DEMAND + JOB SECURITY

- Automotive Technicians are among the most highly demanded jobs in the U.S.
- HALF of the auto-techs in the U.S. are set to retire in 12-15 years
- Graduates of MTI can earn up to \$40,000 in their first year

INTERACTIVE GAME-STYLE LEARNING

- No more textbooks. Hands-on virtual simulation makes learning fun and engaging
- Practice repairs virtually in a stress-free environment
- Seamlessly transition from virtual learning to hands-on training in our shop

TOOL SET & CART INCLUDED

- Students receive their own professional grade Matco toolset the first week
- Students train learning to properly use their own tools that they'll use on the job
- Graduates are prepared, comfortable and confident with the tools essential to being productive

EFFICIENCY TRAINING: TIME = MONEY

- Learn maximum efficiency skills and techniques with our ©M-T.I.M.E. Efficiency training
- Fast track your wage increases and career advancement with efficiency skills used by the industry's highest paid technicians
- Efficiency training is our special sauce. You won't find it anywhere else. We developed it specifically for our program.

SOFT SKILLS & ONGOING CAREER SUPPORT

- EVERYDAY focus on professional skills like punctuality, attitude & teamwork
- Professional communication skills
- Proper expectations and understanding repair shop culture
- Basic financial management and responsibility. Paycheck management & the DO's & DON'Ts of credit cards

JOB PLACEMENT & PAID INTERNSHIP OPPORTUNITIES

- Connect with the industry's top employers
- Interview with our Employer Partners during week 1
- Work in a paid internship while attending school
- Employer Partners offer tuition reimbursement programs up to 100%
